

WANTED

DO YOU KNOW SOMEONE IN YOUR WORKPLACE WHO:

- Is good at speaking to people & helping them solve problems
- Believes in fairness
- Could recruit new members to join UNISON
- Recognises the strength of working collectively
- Could act as a link between members and the union
- Is willing to learn how to support and advise their colleagues
- Would make a good UNISON Steward?

If so why not encourage them to find out more by attending one of our Lost in UNISON Courses. For dates and to find out more contact Amanda Mayers on 0207 535 6645 or a.mayers@unison.co.uk.

UNISON aims to have at least one steward in each workplace and department, more in larger departments and where members work shifts BUT we know in some areas, particularly with restructuring and job losses, this isn't always the case. Help us to recruit new stewards to get involved and active in the union.

Help us to build the union.
