CELEBRATE MAY DAY FIGHTING FOR A BETTER WORLD

FIGHTING EXPLOITATION

MAY DAY IS INTERNATIONAL WORKERS DAY CELEBRATING WORKERS' ACHIEVEMENTS

The first May Day celebrations fought for the 8 hour working day – we still have the same call from both directions, ending zero hour contracts at one end and too long hours at the other.

We celebrate what was won by workers' campaigning over many years – things like the NHS, good education for all, good pensions, affordable housing – all now under attack by the austerity agenda. We carry on the fight for a better life for workers - to end the 1% screwing the rest of us.
