

WORKERS MEMORIAL DAY – 28 APRIL

REMEMBER THE DEAD – FIGHT FOR THE LIVING

PLEASE SUPPORT TWO EVENTS IN WALTHAM FOREST ON 28 APRIL

Waltham Forest Trades Council will be leafletting at the Bakers Arms from 8.30 – 9.30am on Workers Memorial Day, 28 April to remember Romanian worker Marian Nemit who died from injuries received whilst working on the re-fit of a shop in Leyton High Rd in April 2015. Please come along and give us a hand leafletting.

The Trades Council is also supporting the annual event organised by local Unison reps and other town hall unions which will be held at the Town Hall, E17 from 1.00pm. Speakers from local trades unions have been arranged. All are welcome to attend – union banners are especially welcome.

Whilst we say this every year – supporting Workers Memorial Day this year is truly vital what with the attacks on health and safety representatives rights in the anti-trade union bill currently going through parliament, the Council's attacks on health and safety representation locally (even though they've been busted big-time for failing to manage asbestos safely) and yet another preventable death locally, your active support really is needed.

Please publicise these events and encourage members and supporters to attend the leafletting and the memorial event.
