

Quick Reference Guide for Refuse Collection Workers

Do not go to work if you have symptoms of COVID-19, which are a high temperature and/or a new, continuous cough.

Please remember to always...

Keep vehicle windows open for ventilation when there is more than one person in the vehicle

Keep a minimum distance of 2 metres where possible

Wash hands frequently (for at least 20 seconds) or use hand sanitizer with a minimum of 60% alcohol

Clean surfaces frequently including door handles, rails, hoists etc.

Avoid touching your face, nose and eyes

Face masks are not recommended for refuse collection staff.

Guidance based on PHE advice 22 April 2020 and subject to change.
